ABOUT ME

I am a hardworking, responsible, and motivated individual who is willing to learn new skills and gain work experience. I can work well with others, follow instructions, and adapt to different working environments. I am dedicated, honest, and willing to take on challenges to improve myself and contribute positively to the company. I am eager to start my career and give my best in every opportunity.

EXPERIENCE

Technical Drafting 2025-2026

Technical Drafting Manager

I have basic knowledge of Technical Drafting, including creating technical drawings, reading plans, and applying proper measurements with accuracy and attention to detail.

Web developper and Web design 2026 - Present

Junior Programmer

I have basic knowledge of programming, including writing simple codes, solving basic coding problems, and learning different programming languages to improve my technical skills.
